

EdTechTeam Teacher Leader Certificate

Flipped Learning: 21046- ED 589

Name: Julianne Rosenquist

Flip #2: Create a video to use with a flipped lesson and create the flipped lesson.

Standard/Objective:	Students will know and understand what is required of them during the last week of school as Seniors
Video you created:	https://drive.google.com/file/d/0B4UZw5YIyC2FbFYwNElvUV9qbGM/view?usp=sharing
How will students access the video:	Video link will be shared with students using the Schoology LMS platform
How will you hold students accountable?	Students will show me the completed SL reflections as well as their completed migration of materials from CPS drive to their personal drive
Flipped Lesson Link:	https://docs.google.com/document/d/1siPZkLTFaBUVvAy1xp6Q2XfBH-A6JcqLFloDhINB0/view?usp=sharing
Follow up lessons for class. What will you do for the students who have mastered the material? What will you do for students who still need help?	<p>Students who have mastered the material will provide assistance to their peers who are struggling with migrating their files.</p> <p>Students who still need extra help will be partnered with a student who has completed the Drive Migrator process.</p>
